LITTLE HOUSE MUSEUM

The Little House Museum in Stratton's Pitner Park is located inside a historic home. Exhibits here preserve the area's history. The Bailey Cabin, the first cabin built in Stratton, was moved to the museum site in 2012. The cabin, which was previously used as the town's post office and a general store, has been moved twice since it was built in 1879.

The Little House Museum will again be open on the first and third Sundays in June, July and August. The display for the month of June will be "older" Costume Jewelry. July will feature Patriotic Items and August will be Back to School Memories. If you have items you would like to share with the community please contact one of our group. They are Pat Egle, Bernard Andrijeski, Sandra Witt, Monica Desautels, Jane Voss or Janet Felt. We have several old newspapers that you could spend the afternoon reading or just enjoy the memories of all the items we have, like how many bricks were used in the original Jones houses, compliments of League Builders. Come join us.

THE CHAPLAIN'S CORNER

To be righteous, or, to be unrighteous, that is the choice. Most of us know the difference. Most of us know that righteousness can only be obtained only through Jesus Christ. Some don't know. Some run from him all their lives and don't know any peace or righteousness. Before Christ came, they would try to obtain righteousness by sacrificing a lamb and shedding his blood. Then God sent his son and he shed his blood and died for us. Now all we have to do to get righteousness is," Confess with our mouth that Jesus is Lord and believe in our heart that God raised him from the dead and we will be saved. Romans Chapter 10, verse 9.

I know I'm probably going to get in trouble on this one but here goes. Today the world is trying to turn this upside down by saying unrighteousness is righteousness. Aborting babies, before and after they are born is okay.

Drunkenness is okay. Smoking dope is being legalized under the auspices of medical purposes is okay. The big one that is splitting churches is, saying homosexuality is okay. In Romans Chapter 1 Verses 26,27 God condemns the lust and the act of homosexuality. God would not do that if people were born homosexual. Our churches have not handled homosexuality right. Instead of condemning the act they have condemned the people that perform the act. Jesus did not come to condemn, but he came to save. Our churches should have, (and some do) brought these people in and helped them to see how Jesus can heal them.

Jesus was willing to go the full distance, loving us so much that he died for us that we might be righteous. What is your choice?
